

## Beauty Requires Precision™

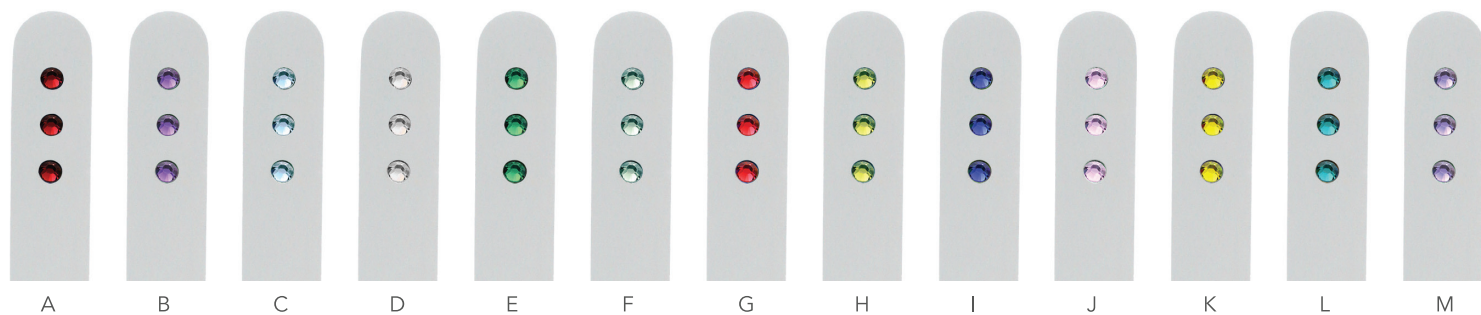

Glamorous and meticulously accurate...the LaVaque Professional line is a girl's new BFF! These beautiful tweezers offer the complete package: professional precision, soft matte finish for a non-slip grip, lightweight, soft tension (making the experience delicate on your hands and increasing control), and perfectly hand-filed, ultra-thin tips that easily lift hair while giving you the best grip! Add even more glamour with LaVaque's 13 colors of Swarovski Crystals. Every pair comes with a lifetime guarantee: you break 'em, you dull 'em - no worries, LaVaque will replace 'em - no questions asked. The best part is that you don't get 'reused' or 'refurbished' tweezers but receive a brand new pair! Find these beauties at the trendiest salons, spas, and brow bars.
